

Dear Applicant,

Thank you for your recent inquiry about summer courses through the University of Arizona Non-Degree Summer Program for Biological Science Teachers. Enclosed you will find information about our program and the necessary application forms for teachers who want to update their biology knowledge. All requirements must be completed before your application can be considered. A checklist of requirements follows:

Summer Non-Degree Program for Biological Science Teachers:

1. Application to the Program

Graduate College:

1. Application for Admission as a Graduate Non-degree Student
2. Check for \$35 for domestic students
3. Immunization Form (required if you were born after 1956 and are planning to take BIOC 633 or 597A)
4. Coronado Hall Individual Reservation Form (required if you plan to enroll in BIOC 633 and wish to stay in on-campus housing)

Please send the program application to:

Ellie Warder
Department of Chemistry & Biochemistry
The University of Arizona
1041 E Lowell St, BSW 270
Tucson, AZ 85721-0088

Mail the Graduate College application materials and application fee to the address in the upper right corner of the application form. **ALL** application materials must be received **by May 22**.

If you intend to enroll in BIOC 633 and need on-campus housing, please submit your reservation form right away, as space is extremely limited and goes quickly. You may cancel your reservation later if your plans change.

If you have general questions about the program, please call me at 520-621-5903. If you have questions about specific forms, call the number or office indicated on the form. We hope to receive your application soon!

Sincerely,

Ellie Warder
Program Coordinator
