

## **Summer Research Scholarship Application Summer 2010**

**Eligibility:** You must be enrolled in the General Biology M.S. Program in order to apply for this scholarship.

**Award:** Courtesy of the Howard Hughes Medical Institutes (HHMI), \$1,000-\$2,000 will be awarded to 7-14 students engaged in their research experience in Summer 2010.

**Due Date:** All materials must be received by **March 31** in order for this application to be considered. Only complete applications will be reviewed. Complete applications and all supporting documents should be directed to:

Ellie Warder  
University of Arizona  
Dept of Chemistry & Biochemistry  
Biological Sciences West 270  
Tucson AZ 85721-0088  
Fax: (520) 626-9204  
warder@u.arizona.edu

### **Required sections**

1. Cover Page (provided): The applicant and the thesis advisor must sign. If the thesis advisor is unable to sign the original, she/he may forward an electronic version of the cover page to Ellie Warder and it will be included in the application. The title of your project should be descriptive; it will not matter if you change the title by the time you submit your thesis.
2. Proposal narrative: A short description of the project. What questions will you be asking, and why is this research important? What do you expect to achieve this summer?
3. Budget: The minimum award is \$1,000 & the maximum award is \$2,000; the amount available per awardee depends on the number of applications that are selected for funding. Please use the attached budget form to answer the following questions: What will you use these funds for? Would you use these funds to cover your registration fees, and if so, how much? If you live outside of Tucson, would you use these funds to cover Tucson living expenses, and if so, how much? Would you use the funds to purchase materials to conduct your research? If so, what materials and how much would they cost?

Questions regarding this application should be directed to:

Ellie Warder
